

Stock Transfer Terms & Conditions

- **Offer Period: April 01, 2023 to March 31, 2024**
 - To participate in the offer register in the link is mandatory.
 - This offer is valid for shares, ETF's transferred from a non ICICI bank account to ICICI demat account linked with your ICICIdirect account
 - Once Registration is done, stock should be transferred within 15 working days in **one go**.
 - The reversal brokerage process will start post the stocks are transferred to the ICICIdirect demat account successfully i.e. after T+7 days.
 - Reversal brokerage credit will happen in 1month post Stocks are transferred to ICICIdirect linked Demat account. For example, if you have registered on April 1, 2022 and stocks are transferred on April 10, reversal brokerage will be credited in your account by May 17, 2021 on the basis of AUM transferred.
 - You can participate in this offer only once from April 01, 2023 till March 31, 2024
 - The consolidated Shares & ETF's value transferred within 15 working days of your 1st registration will be considered for the reversal brokerage credit for the financial year. You cannot participate in this offer twice
 - Consolidated Shares & ETF's transfer value in all your linked accounts will be considered
 - Reversal Brokerage will be valid for a period of 6 months from the day of mapping.
 - At the end of validity period the unutilized brokerage will expire.
 - In case you already have some reversal brokerage then reversal brokerage from stock transfer will get added to the existing brokerage and the validity will be considered of the previous brokerage. For Eg: You have Rs.2000 reversal brokerage with validity till June 30, 2022 and you get Rs. 25,000 reversal brokerage from Stock transfer offer which will get added to Rs.2000 and the total brokerage will be Rs. 27,000 with validity till June 30, 2022.
 - If your account is mapped to Special brokerage scheme, you will not be eligible for reversal brokerage credit.
 - The offer is available only for Resident Indian customers
